GRASS ROOTS PETITION

We, the undersigned, ask that the investigation of Adam G. Prentice be taken out of the hands of the University of Massachusetts Campus Police Department. We believe that Adam's death might not have been accidental. We want the truth about what really happened to Adam G. Prentice on the night of September 27, 1997, not what the University of Massachusetts Amherst police department speculates happened. Please return to: Barbara Prentice, PO Box 177, Hyannis, MA. 02601 or e-mail to barpren@capecod.net
